A waterfall, artesian fountains and historic Victorian cottages will have you falling in love with this MI coastline. We will stop to stretch and relax at Zoll Beach on the outskirts of Harbor Springs. Bike shops and the sag wagon are here if needed.

Pit Stop #4: Yummies Ice Cream (1/2 Mile)
Welcome to Harbor Springs! Experience the small town charm and take the 1/2 mile ride for some delicious ice cream and sights of a quaint town where you will feel like you are a million miles away....thankfully it's just over 9 to get back!

Ending Point: Bayfront Park (9.5 miles)

GOAL \$23,000!!!!

(YES, that's a BIG goal- it would bring our total in 10 years up to \$100,000! We serve a BIG God!)

So far we've raised over \$76,000 helping to send over 900 kids to camp! That's 800 lives changed, 900 times the gospel is shared and these kids and teens know that someone loves them. We can't think of a better reason to have sore buns!
