Paulette is a Bible teacher, Bible study author, and speaker. She is a lover of Jesus and His word. Paulette lives in Indianapolis, IN with Jake, her pretty-darn-good-looking husband of 18 years, Max, their high maintenance but cute 20lb mutant-Maltese, Alex and Monica, the two crazy outside cats, and give or take a few twenty-somethings that keep life interesting.

Paulette holds a Masters Degree from Liberty University in Professional Counseling and enjoys spending her time with women of all ages. She thoroughly enjoys writing and teaching Bible studies. She has authored multiple Bible studies including *Sand Surfers – Encountering God and Discovering Divine Purpose in the Desert* and *Rescued – A Journey from Darkness to Light*, *MindShift*, *Simply Mark*, *Simply Jesus*, just to name a few. She has also authored one book, *Straight-Up Crazy: A Call to Radical Faith*.
